# PATIENT-PHYSICIAN ARBITRATION AGREEMENT

**ARTICLE 1:** It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

**ARTICLE 2:** I understand and agree that this Arbitration Agreement binds me and anyone else who may have a claim arising out of or related to all treatment or services provided by the physician, including any spouse or heirs of the patient and any children, whether born or unborn at the time of the occurrence giving rise to any claim. This includes, but is not limited to, all claims for monetary damages exceeding the jurisdictional limit of the small claims court, including, without limitation, suits for loss of consortium, wrongful death, emotional distress or punitive damages. I further understand and agree that if I sign this Agreement on behalf of some other person for whom I have responsibility, then, in addition to myself, such person(s) will also be bound by this Agreement, along with anyone else who may have a claim arising out of the treatment or services rendered to that person. I also understand and agree that this Agreement relates to claims against the physician and any consenting substitute physician, as well as the physician's partners, associates, association, corporation or partnership, and the employees, agents, and estates of any of them. I also hereby consent to the intervention or joinder in the arbitration proceeding of all parties relevant to a full and complete settlement of any dispute arbitrated under this Agreement, as set forth in the Medical Arbitration Rules of the California Medical Association and the California Hospital Association.

**ARTICLE** 3: I agree that the arbitrators have the same immunity from civil liability as that of a judicial officer when acting in the capacity of arbitrator under this Agreement. This immunity shall supplement, not supplant, any other applicable statutory or common law.

**ARTICLE** 4: I UNDERSTAND THAT I DO NOT HAVE TO SIGN THIS AGREEMENT TO RECEIVE THE PHYSICIAN'S SERVICES, AND THAT IF I DO SIGN THIS AGREEMENT AND CHANGE MY MIND WITHIN 30 DAYS OF TODAY, THEN I MAY CANCEL THIS AGREEMENT BY GIVING WRITTEN NOTICE TO THE UNDERSIGNED PHYSICIAN WITHIN 30 DAYS OF THE DATE OF MY SIGNATURE BELOW STATING THAT I WANT TO WITHDRAW FROM THIS ARBITRATION AGREEMENT.

**ARTICLE** 5: On behalf of myself and all others bound by this Agreement as set forth in Article 2, agreement is hereby given to be bound by the Medical Arbitration Rules of the California Medical Association and the California Hospital Association, as they may be amended from time to time, which Rules are hereby incorporated into this Agreement. A copy of these Rules is included in the pamphlet in which this Agreement is found. Additional copies of the Rules are available from the California Medical Association, 1201 J Street, Suite #200 Attention: Publication Department, Sacramento, CA 95814 or at www.cmanet.org. I understand that disputes covered by this Agreement will be covered by California law applicable to actions against health care providers, including the Medical Injury Compensation Reform Act of 1975 (including any amendments thereto).

**ARTICLE** 6: OPTIONAL: RETROACTIVE EFFECT If I intend this Agreement to cover services rendered before the date this Agreement is signed (for example, emergency treatment), I have indicated the earlier date I intend this Agreement to be effective from as confirmed by my initials immediately below.
Earlier effective date:______________ Patient's Initials:__________

**ARTICLE 7:** I have read and understood all of the information in this pamphlet, including the Introduction to the Patient-Physician Arbitration Agreement, this Agreement, and the Rules. I understand that in the case of any pregnant woman, the term "patient" as used herein means both the mother and the mother's expected child or children.

If any provision of this Arbitration Agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision.

**NOTICE: BY SIGNING THIS CONTRACT YOU ARE AGREEING TO HAVE ANY ISSUE OF MEDICAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL. SEE ARTICLE 1 OF THIS CONTRACT.**

## In-Network Insurances

Please be advised that it is **patient responsibility** to verify that your insurance plan has eligible coverage and is in-network with Dr. Wang. As a courtesy to our new patients we will call your insurance once scheduled to verify we are in network, however in some cases the provider line at insurance companies are unavailable. If we are unable to reach the provider line, we will ask you to call the patient line to verify you are in network and ask for a reference number for the call before your appointment or you will be seen as a self pay patient until reference number is received.
We would also be happy to still see you as a self-pay patient if your plan is out-of-network.

**PPO Plans in network**

Blue Cross
Blue Shield
Health Net
Medicare
United Healthcare
Aetna
Cigna

Dr. Victoria Wang is not an in-network provider for any HMO, Covered California or Medi-Cal plans.

**Please also be advised that Alta Dermatology will collect the patient portion including copays, deductibles and coinsurance of your insurance plan (based on the contracted rate with the insurance provider) at the time of service. If you have any questions, please ask prior to being seen or having procedures completed.**

**Financial Policy**

**Patient Name**: ______________________________ **Date of Birth**: ______________

**Basic Policy:** Patient payment is due in full at the time service is provided in our office.
**Insurance In Network Patients:** We bill most insurance carries for you if proper paperwork is provided to us. We will also bill most secondary insurance companies for you unless we are out of network. Copayments and patient balances are due at the time of service. Please be advised that every insurance carrier has their own customary fee schedule. Sine your agreement with your insurance carries is a private, we do not routinely research why an insurance carrier has not paid or why it paid less than anticipated for care. If an insurance carries has not paid within 60 days of billing, professional fees are due and payable in full from you.
**Medicare Patients:** We will bill Medicare for you. We will also bill secondary insurance carriers for you unless we are out of network. All copayments and deductibles are due and payable at the time service is provided.
**Self Pay Patients:** Patients who either do not have insurance coverage or have out-of-network insurance are considered to be self pay. Self pay patients will be required to make payment arrangements at the time of service.
**Non-Covered Services/ Cosmetic Procedures:** Any care not paid or not covered for by your existing insurance coverage will require payment in full at the time services are provided or upon notice of insurance claim denial. Cosmetic procedures are elective and will not be covered by insurance. Payment will be due at the time of service.
**Surgery Fees:** All payments for surgical procedures are due at the time of your surgery.
**Laboratory Services:** Some services, such as biopsies, cultures, or surgery require specimens be sent to a laboratory for processing. The patient may receive a separate bill from Laguna Pathology or another laboratory such as Labcorp or Quest. The patient is responsible for payment for all laboratory services not covered by insurance. It is advised that for any laboratory billing discrepancies, the laboratory be contacted directly.
**Late Cancellations/ No Show Appointments:** In fairness to other patients and the doctor, we require at least 24 hour notice to cancel or reschedule appointments. There will be a fee for any late cancellations and no show appointments. For non-surgical appointments, there will be a $50 fee. For surgical and cosmetic appointments, we require a 24 hour notice to cancel or reschedule otherwise resulting in a $100 fee. For Mohs surgery appointments, we require at least a 48 hour notice to cancel or reschedule appointment otherwise resulting in a $200 fee.
